

Currently, we listen to radio (94.9 FM K-LOVE) that could be displaced by LPFM broadcaster. That station supports our community and is one of the only sources of family oriented broadcasting in the area of Memphis. Plus, it is my kids favorite station. Displacing this, and other K-Love, stations could create a huge void in many communities around the country. Please reconsider this change b/c it is not in the public's best interest in the Memphis metro area.
